

Jorgelina Baudracco

Manual QA Tester / Web Developer

yole126@gmail.com • <https://www.linkedin.com/in/jole-baudracco/>

SUMMARY OF QUALIFICATIONS

- Experienced QA professional with a strong foundation in manual and automation testing.
- Skilled in test case design, regression testing, and bug reporting.
- Proficient in tools such as Cypress, Playwright, Jira, and SQL.
- Effective communicator with a proven ability to transition and excel in multidisciplinary roles.

EDUCATION

- **The Web Developer Bootcamp 2025** - Udemy (Teacher: Colt Steel) Comprehensive 74-hour training in full stack development: HTML, CSS, JS (ES6+), React, Node, Express, MongoDB, REST APIs, Security, Authentication, Deployment, and more
- **Higher Technician in Quality Assurance** • Teclab University • March 2024 (In progress)
- **Software Quality Assurance** (QA) Certification (ISTQB CTFL) - Udemy (In progress)
- **Professional Software Testing** - Edutin (June 2023)
- **The complete CYPRESS 12+ Course** - Udemy (December 2023)
- **Testing to the Point** - Youtube (March 2023)
- **QA Testing** - Ícaro
- **English Teacher** • Escba • 2012 Certifications:

TECHNICAL SKILLS

- Test Planning
- Test Execution
- Test Case Design
- Bug Reporting
- Regression Testing
- Agile Methodology (Scrum)
- Tools: Cypress, Playwright, Jira, Trello, SQL Server, Databases
- HTML, CSS, Javascript
- React, NodeJS, Express, MongoDB, Rest API
- Programming Logic
- Scripting
- Ethical Hacking
- Mobile Testing

EXPERIENCE

Manual QA • Blaze • Remote (January 2023 - Currently)

- Conducted manual testing to identify and resolve software issues.
- Responsible for creating detailed test cases and meticulously executing them to ensure the robustness and functionality of the software.

- Conducted thorough regression testing to identify potential issues arising during software updates or changes.
- Diligently reported and documented identified bugs, contributing to overall software quality improvement.
- Operated within an Agile methodology, actively engaging with the development team to verify and validate software performance.
- Played a crucial role in maintaining high software quality standards through effective communication and teamwork in a dynamic and collaborative work environment.
- Collaborated on scripting tasks and database queries to support testing initiatives.

Personal Projects (2023–Present) Full Stack Web Developer

- Built responsive and dynamic web applications using React, Node, and MongoDB. Integrated third-party APIs and cloud databases for advanced features. Focused on clean code, component reusability, and modern UI frameworks. Followed version control with Git and deployed apps using best practices.

<https://github.com/jolebaudracco/Yelp-camp> – Second project worked as a web developer

CEO - QA Tester • Bug Sleuth • Leones, Cba (January 2022 - Currently)

- Performed functional testing to ensure software reliability.
- Created and executed test cases for diverse projects.
- Developed test plans using Cypress and Playwright for personal projects.

English Teacher • Blaze • Remote (April 2022 - Currently)

- Delivered English instruction tailored to individual needs.
- Assessed and provided constructive feedback to students.
- Organized and implemented lesson plans to enhance student learning.

PROJECT EXPERIENCE Cypress Automation Projects - Personal Development (2022 - 2023)

- Designed test automation frameworks using Cypress and Playwright.
- Created end-to-end tests for web applications.
- Collaborated with online communities to share knowledge and refine techniques.

SOFT SKILLS

- Attention to detail
- Analytical Thinking
- Collaboration
- Communication Skills
- Problem-solving
- Adaptability
- Time Management
- Teamwork

LANGUAGES

- Spanish: Native Language
- English: C2 (English Teacher)
- Portuguese: A1 (Basic Level)

ADDITIONAL EXPERIENCE

- Self-employed QA Projects • Remote
- Independently managed QA initiatives, including planning, testing, and reporting.
- Enhanced expertise in agile methodologies and cutting-edge tools through personal exploration and certifications.
